Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower or higher height division than they are eligible for will be eliminated.

HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers
24" Choice	N/A	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers

MEASURING and HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" Choice height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster

of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

New Simplified Jump Height Card Process

When filling out the entry form, there is a section at the top of the form for exhibitors to designate whether the dog has a valid jump height card or if the dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include the dog entered on the *Dogs To Be Measured List*. It is no longer required that a copy of a dog's jump height card be submitted with an entry form or show it at check-in; although exhibitors are required to have the official form/card with them at the trial to present upon request.

For Exhibition Only (FEO) will be offered in all classes.

Participation in FEO is non-qualifying. • FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show. • Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed. • Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed. • The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board). • Toys are allowed in the ring • Toys must be non-audible • Toys may not leave the handler's hand • Toys that roll freely cannot be used • Food/treats are not allowed in the ring • FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring. • A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On (FNG) As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run. Explanation - At any time during a run the handler may immediately fix a single obstacle one time. The action shall be judged as an elimination, which shall be marked as an "E" on the scribe sheet, resulting in a non-qualifying score (NQ). The handler may go back a few obstacles prior to the fix. If a jump bar (bar jump or single bar jump) is knocked, the handler may reset it, but the reset is limited to one jump bar. The dog may not be verbally or physically corrected for the error. Weave poles may be immediately re-attempted three times, but if the dog is brought back to obstacles prior to the weave poles, it will be considered the one time Fix and Go On attempt. Once handlers have used the one-time Fix and Go On option, they must immediately finish the course or exit the ring. The judge shall not judge the dog's run after the fix but will continue to watch the run to ensure that the handler is going on to complete the course correctly, is not using harsh commands or corrections and that the run is being done safely. The judge will immediately whistle to excuse the team from the ring for any of these infractions.

DOGS ELIGIBLE TO ENTER

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number or approved Foundation Stock Service (FSS) breeds are eligible to participate.
